**WELCOME TO**  
*the greater manchester end the fear website*  
Anybody who is experiencing domestic or sexual violence can find help, support and advice here. We also provide support to people who know someone who may be being abused. We want to encourage victims of domestic and sexual violence in Greater Manchester to find the courage to come forward and seek support and help. You don't have to put up with domestic abuse. Find out about your local services by ringing the help lines on this page or [click here](#) to find out more.
