## Safeguarding and Supporting Girls Affected by FGM

The Guardian Project is a free service across Greater Manchester which coordinates care and support for girls and young women (up to 21 years old) affected by or at risk of Female Genital Mutilation (FGM).

# We provide free advice, support and guidance to professionals

The Guardian Project can provide the following services to safeguarding professionals:

- Support with FGM case management including attending strategy meetings
  - Risk and Needs Assessments on FGM
  - Preparing girls and families for physical examinations
- Producing expert and therapeutic reports for FGM court cases
  - Provision of advice and guidance
- providing emotional support for girls and young women

To access the free service, seek advice or refer a girl or young women:
