Safeguarding and Supporting Girls Affected by FGM

"I like the fact that someone cares like that. I have someone to talk to about my past life, things I haven't spoken to anybody about, so it's nice to have that. It helps the pain inside me, pushes the past away, relief and a weight lifted off my shoulders"

14-year- old girl who has experienced FGM

The Guardian Project is a free service across Greater Manchester which coordinates care and support for girls and young women (up to 21 years old) affected by or at risk of Female Genital Mutilation (FGM).

**We are here for you.
We are here to listen.
We are here to help.**

- FGM stands for Female Genital Mutilation.
- FGM is when a girl's private parts are changed, hurt or damaged.
 - FGM is harmful to a girl's health.
 - FGM is against the law in the UK.
